I, _____, have read and accept the Participation Rules for the 28th CineEco and declare that I'm legally authorized to register and authorize the exhibition of the film _____ in the 28th CineEco, in its exhibitions and extensions in Portugal, which will take place within one year after the end of that edition (CineEco2022), with educational objectives and non-profit purposes.

Moreover, I authorize the use of images and information from the film in the communication and promotion media of CineEco.

I also allow the festival to provide information, images and sounds from the production for the media and for all the necessary promotion of the event.
